BOS Medical

Medical Staffing Specialists

At BOS

Our high standards are aimed at keeping clients, patients and caregivers safe. We comply with all federal and state regulations, and also to individual contract requirements. Our stringent Quality Management Program documents academic credentials, advanced training, references, employment and experience, licensure, certifications, health clearance and skills proficiency for each of our healthcare professionals to ensure that they are fully compliant with all regulatory agencies.

You can feel confident that BOS will continue to monitor regulations and trends to maintain the highest quality standards.

We Provide:

- RNs
- LPNs
- CNAs
- MAs
- Medical Clerical

With BOS You Receive:

- **Screening, Testing, and Reference Checks**

Our healthcare professionals are screened, tested and thoroughly reference checked.

We require:

- A minimum of one year of experience in a clinical setting
 - A degree from an approved healthcare institution
 - Current certification
- **Value**
Above all else, we look for the most important value in any employee: a great attitude. We put as much time and effort into hiring and retaining our healthcare workforce as you do your own employees.
- **Variety**
Ongoing recruiting efforts provide a larger pool of applicants to choose from — we send you the very best. BOS is constantly recruiting applicants. We can find exactly the person you are looking for.
- **Dependable service**
BOS Medical Staffing serves a wide variety of healthcare organizations:
 - Hospitals
 - Laboratories
 - Physician Groups
 - Research Facilities
 - Insurance Companies
 - Public Health Services
 - Third Party Administrators
