for Excellence
in Medical Staffing.**

Certified Staffing Specialists

BOS Medical

BOS Medical offers a range of service options.

Choose the one that best meets the needs of your facility and your patients:

Per Diem

Our healthcare professionals provide coverage for vacations, absences and increases in demand – even for last-minute needs.

Travel

BOS Nurses can help you meet fluctuating demand – anywhere in the country. Keep them for a standard thirteen- week rotation or extend their service as long as you need.

Contract

Full time, part time, short and long term help to provide care, diagnostics and handle administrative details so that you can focus on your business goals.

Permanent

BOS can advertise your position, screen applications and interview candidates. We narrow the candidate field for you so you choose from only the best. You get better hiring results in less time.

LOOKING FOR **A BETTER WAY** TO RUN YOUR FACILITY?

Since 2008, BOS Medical (a division of BOS Staffing) has helped clients throughout Northeast Georgia save time, lower costs and reduce stress while operating more efficiently and cost-effectively.

Our owners are located right here in Georgia. That gives you easy access to the decision makers, so you can easily customize a solution that works for your business.

If you are looking for a better way to work – and want hands-on service from experienced, ASA Certified Staffing Professionals®, turn to BOS, the medical staffing specialists. We're setting the standard for excellence in medical staffing.

At BOS Medical, quality matters.

That's why our people are screened for credentials and experience, ensuring optimum, cost-effective patient care.
